INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Women's Center of San Joaquin County
(A Nonprofit Organization)
Stockton, California

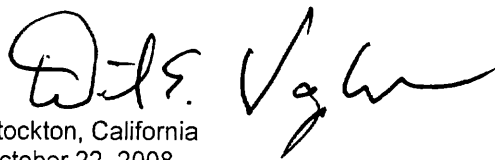

I have audited the accompanying statement of financial position of Women's Center of San Joaquin County (A Nonprofit Organization) as of June 30, 2008, and the related statements of activities, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of Women's Center of San Joaquin County's management. My responsibility is to express an opinion on these financial statements based on my audit. The prior year summarized comparative information has been derived from the Organization's 2007 financial statements and, in my report dated November 29, 2007, I expressed an unqualified opinion on those financial statements.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provide a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Women's Center of San Joaquin County (A Nonprofit Organization) as of June 30, 2008, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, I have also issued my report dated October 22, 2008 on my consideration Women's Center of San Joaquin County's internal control over financial reporting and my tests of its compliance with certain provisions of laws, regulations, contracts and grants. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Governmental Auditing Standards* and should be read in conjunction with this report in considering the results of my audit.

My audit was performed for the purpose of forming an opinion on the basic financial statements of Women's Center of San Joaquin County (A Nonprofit Organization), taken as a whole. The accompanying supplementary information on page 10 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in my opinion, is fairly presented in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS

Note 1. Nature of Business and Significant Accounting Policies (Continued)

Line of Credit:

The Women's Center has a line of credit of \$100,000 with a local bank. The balance of the line at June 30, 2008 was \$ 0.

Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that effect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Buildings and Equipment:

Purchased buildings, improvements and equipment are stated at cost. Donated equipment is stated at the estimated fair market value at the date of donation. Depreciation is computed by the straight-line method over useful lives ranging from five to thirty-one years.

Comparative Totals:

Certain reclassifications have been made to the prior year to conform to the current year's presentation.

Recognition of Restricted Contributions:

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets. Included in temporarily restricted net assets are restrictions for a specific grant. At June 30, 2008, \$ 100,825 was restricted for future use.

Taxes:

The Women's Center of San Joaquin County is exempt from federal income taxes under IRC Sec. 501 (c)(3) and state income tax under section 23701 of the California Revenue and Taxation Code.

Donated Services:

No amounts have been reflected in the statements for donated services since an objective basis is not available to measure the value of such services; however, a substantial number of volunteers have donated their time in the Center's program services and its fund raising campaigns.

Allocation of Expenses:

The Center allocates its expenses on a functional basis among its various programs and support services. Expenses that can be identified with a specific program and support service are allocated directly according to their natural classification. Other expenses that are common to several functions are allocated among the programs and support services benefited.

REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Women's Center of San Joaquin County
Stockton, California

I have audited the financial statements of Women's Center of San Joaquin County (A Nonprofit Organization) as of and for the year ended June 30, 2008, and have issued my report thereon dated October 22, 2008. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing my audit, I considered Women's Center of San Joaquin County (A Nonprofit Organization)'s internal control over financial reporting as a basis for designing my auditing procedures for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Women's Center of San Joaquin County's internal control over financial reporting. Accordingly, I do not express an opinion on the effectiveness of the Organization's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or a combination of control deficiencies, that adversely affects the Organization's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the Organization's financial statements that is more than inconsequential will not be prevented or detected by Organization's internal controls.

A material weakness is a significant deficiency, or a combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the Organization's internal control.

My consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. I did not identify any deficiencies in internal control over financial reporting that I consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Women's Center of San Joaquin County (A Nonprofit Organization)'s financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

This report is intended for the information of the board of directors, management and federal and state awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.
